

FLAGSTAFF COUNTY POLICY

Title: Weed and Pest Control	Policy: AG 002
Section: Agriculture	

ACCOUNTABILITY TO VISION STATEMENT

With the provision of extension activities, enforcement of provincial statutes, and the performance of duties that relate to weed and pest control, Flagstaff County enhances the viability and protection of our agricultural industry.

POLICY STATEMENT

Flagstaff County shall ensure that appropriate personnel are appointed as inspectors under the Alberta Agricultural Pests Act and Weed Control Act to carry out the duties required under these provincial statutes.

Flagstaff County will ensure that we present timely information in regards to weed and pest issues that will be readily available to our citizens.

The County will develop long term programs that support the control of weeds and pests for the protection and enrichment of the agricultural industry. Control measures for the control of weeds and pests will be offered for problematic areas within the County.
