TERMS OF AGREEMENT FOR RESTRICTED HERBICIDE USE IN SENSITIVE AREAS

Application Deadline: June 1st Every Five Years

Flagstaff County Agricultural Service Board recognizes that certain landowners/tenants do not wish to have brush/weeds sprayed on roads adjacent to their property. "No Spray" signs must be posted along the County right of way, at the beginning and end of the designated areas. "No Spray" signs shall be supplied by the County. **All vegetation control responsibility is transferred to the landowner/tenant and must meet municipal standards.**

All spraying exempt areas shall be inspected by the Agricultural Service Board to ensure that landowners/tenants are meeting the weed/brush control requirements of the municipality. If inadequate control measures are taking place by the landowner/tenant, they will be contacted by the Agricultural Fieldman. Landowners/tenants will be given 14 days to remedy the problem, and if control has not taken place in this period, Flagstaff County will take over and remedy this brush and weed problem by way of herbicide or mechanical methods.
