

FLAGSTAFF COUNTY POLICY

| | |
|--|-----------------------|
| Title: Public Works Services for Towns and Villages | Policy: PW 009 |
| Section: Public Works | |

ACCOUNTABILITY TO VISION STATEMENT

Flagstaff County is committed to working with the towns and villages and building inter-municipal relationships by sharing of resources when available.

As the County has the technical expertise and appropriate equipment, we are able to enhance the infrastructure in our communities.

POLICY STATEMENT

A) Minor Construction and Maintenance

If requested, Flagstaff County will provide assistance with minor construction and maintenance of streets and roads to the towns and villages, upon availability of County resources.

In addition, upon request, hydrovac services will be available to assist with exposing underground utilities.

This service will be provided on a cost recoverable basis.

B) Dust Suppressant

Flagstaff County will provide assistance with dust suppressant on designated roadways to the towns and villages, Council will designate roadways of mutual benefit for special consideration under this policy, as per **Schedule A** (attached).

- i. Oil – If requested, this service will be provided on a 50/50 cost share basis and upon availability of County resources.
- ii. MG30 – Annually, one application of MG 30 will be provided free of charge.
