INSTRUCTIONS TO TENDERERS

1 BACKGROUND

- 1.1 The Flagstaff County (the "County") is seeking tenders for **Supply, Crush and Stockpiling of Gravel** (the "Work").

The Work to be undertaken generally involves, but is not necessarily limited to: Supplying, crushing and stockpiling of approximately 40,000 tonne of 4:20 modified spec. gravel (95% material must pass through a 20,000mm screen, 100% must pass through at 7/8" screen) for the purpose of providing gravel for the Southwest Area of Flagstaff County.

- 1.2 The County will receive sealed tenders until **11:00:00 a.m. MST on May 27th, 2021** ("Tender Closing"). Faxed tenders will not be accepted and will be returned to the Tenderer.

2 SUBMISSION OF TENDERS

- 2.1 Each Tender shall be addressed to the County in a sealed envelope clearly marked with the Tenderer's name, address and tender number. The sealed envelope containing the Tender shall be delivered before the Tender Closing to the **County's main reception desk** in accordance with the Invitation to Tender and the Instructions to Tenderers at:

**FLAGSTAFF COUNTY
12435 TWP RD 442
SEDEGWICK, AB T0B 4C0**

- 2.2 In the event of a dispute or issue about whether or not a tender complies with the Instructions to Tenderers, the County reserves the right to retain and open a copy of the tender in question in order to seek and obtain a legal opinion in relation thereto. The opening of a tender does not in any way constitute an admission by the County as to the compliance, or not, of the subject tender.

3 TENDER FORM

- 3.1 Each Tenderer shall submit a complete tender on the Tender Form which forms part of the Tender Documents with the blank spaces filled in. The tender sum must be written in words as well as figures, and must be for a sum in Canadian Dollars including all tariffs, freight, duties and taxes other than the Goods and Services Tax which must be shown as a separate amount unless otherwise specifically stipulated (hereinafter referred to as the "Tender Sum"). In the event of a discrepancy between an amount written in words and an amount written in figures, the amount written in words shall be deemed the intended amount. Tenders shall be written in English.
- 3.2 Notwithstanding the foregoing, the County shall be entitled to accept a Tender in such form as the County in its sole and unfettered discretion deems acceptable irrespective of irregularities whether of a trivial or substantial nature, or whether the Tender is noncompliant in a trivial or substantial manner.

- 3.3 The County shall not be obligated to accept Tenders that are unsigned, incomplete, conditional, illegible, unbalanced, obscure, contain irregularities of any kind, or contain mathematical or calculation errors of any kind. On Unit Price Tenders, if there is a discrepancy found between the unit price and the extended amount, the unit price shall be deemed to represent the intention of the Tenderer. Discrepancies between words and figures will be resolved in favour of the words. Discrepancies between the indicated sum of any figures and the correct sum thereof will be resolved in favour of the correct sum. Any discrepancies between the Tender Form and a post Tender Closing submission required by the Tender Documents will be resolved in favour of the post Tender Closing submission.
- 3.4 Tenders shall not be withdrawn, modified or clarified after being delivered in accordance with the Tender Documents unless such withdrawal, modification or clarification is made in writing and actually received by **Darrell Szott, Public Works Superintendent**, of the County prior to the Tender Closing. Any withdrawal, modification or clarification of the Tender must be followed by a letter of confirmation signed and sealed in the same manner as the Tender and delivered to the address for the County in the Invitation to Tender within 48 hours of the Notice of the Withdrawal, Modification or Clarification.

4 THE FREEDOM OF INFORMATION AND PROTECTION OF PRIVACY ACT

It also prohibits the County from disclosing the Tenderer's personal or business information where disclosure would be harmful to the Tenderer's business interests or would be an unreasonable invasion of personal privacy as defined in sections 16 and 17 of FOIP. Tenderers are encouraged to identify what portions of their submissions are confidential and what harm could reasonably be expected from its disclosure.
