Public Works Updates

Please refer to www.flagstaff.ab.ca for up-to-date road work happening throughout the County.

Winter Road Maintenance:

Roadways are cleared of snow as necessary. During normal winter conditions, County gravel roads should be cleared of snow within four days, unless there is heavy snow and persistent winds.

One plow truck is designated to remove snow and apply sand/salt to oil and paved surface roads.

Two graders are allocated for snow and ice removal on MG30 roads.

Back roads or blind roads will not be plowed unless deemed necessary by Public Works.

Please keep in mind that our seasonal crews will be out working on our roadways and to use extreme caution while travelling on these roads while they are being maintained in any way. We thank you in advance for your cooperation during this season.
