

FLAGSTAFF COUNTY POLICY

Title: Railway Crossings	Policy: PW 005
Section: Public Works	

ACCOUNTABILITY TO VISION STATEMENT

Railway crossings in towns, villages and rural areas are dangerous. By working together with our neighbors, Flagstaff County is able to provide an additional element of safety at railway crossings.

POLICY STATEMENT

Flagstaff County will cost share 50% of the municipal portion of the installation costs for a railway warning system for a railway crossing located within the boundaries of a town or village.

To allow for inclusion in our Business Plan and budget cycle, the towns and villages must submit a request for financial assistance a minimum of one (1) year prior to anticipated installation.
