

Alberta Health Services

Position Profile

GROW YOUR NURSING CAREER IN GALAHAD!

Long Term Care is an interesting, challenging, and continually changing field, with some of the most complex patients in healthcare. Alberta Health Services (AHS) has an exciting opportunity to grow your career in the Hamlet of Galahad!

Alberta Health Services is now recruiting for a variety of **Full Time, Part Time, and Casual** nursing Long Term Care positions, including **Licensed Practical Nurses, Registered Nurses, and Health Care Aides**. You'll work to the full scope of your nursing practice, and have the opportunity to provide evolving care to Long Term Care patients with a wide range of health concerns. Make a difference through the latter stages of someone's life in a peaceful prairie community.

Your quest for a peaceful rural lifestyle is over! The uniquely named Hamlet of Galahad pays homage to Arthurian legend throughout its named streets. Under the wide prairie skies and open spaces of Flagstaff County, Galahad's rich soils and resources support agricultural and oil and gas operations within the area. Working at the Galahad Care Centre, you'll provide long-term care to people with complex medical needs. After work, you can slow down and watch flocks of migrating birds or other wildlife living nearby to the safe, family-oriented, and peaceful community.

AHS is Canada's first and largest province-wide, fully-integrated health system and is a top employer nationally and provincially, as well as a top employer for young people and diversity. Work for a supportive employer with competitive pay, comprehensive benefits, and opportunities for growth. New grads are welcome to apply.

NOW HIRING!

- Health Care Aide
- Registered Nurse
- Licensed Practical Nurse
